

The background of the entire page is a blurred photograph of graduates wearing black caps and gowns with red stoles. The lighting is warm and golden, suggesting an outdoor setting at sunset or sunrise. A teal hexagonal logo is positioned on the right side, and the main title is written across the lower half of the image.

Graduate Slideshow

As part of our graduation ceremony, we will be creating a special slideshow celebrating each of our graduating Seniors. The slideshow will highlight each Senior's unique personality, goals, and God-given talents while looking back on their homeschool journey and ahead to the exciting plans God has for their future.

This is a meaningful part of our graduation ceremony, and we want every Senior to be included! **Please make sure your Senior completes the [Form](#) and that all requested photos are submitted by January 27, 2027.**

Please submit approx. 5-10 photos. **Please, no more than 10!** It is up to you what you would like to include. The following are suggestions that you might wish to include, but not required.

- Recent **portrait-type photos of the student individually** as a nice feature photo - we can use the student's yearbook photo as an alternative if you do not have one
- Photos highlighting the student participating in hobbies, skills, homeschooling memories, field trips
- Whole family photos or photos featuring the student with parents and siblings
- Baby or toddler photos
- Elementary-age photos

High quality photos should be submitted by one of the following methods:

- Email to Graduation@1010Academy.com with your student's name in the subject; PNG (.png) or JPEG (.jpeg) are the preferred file formats.
- Submit a non-returnable flash drive marked with the Graduate's name; the flash drive can be turned-in to Jackie Layne (Admin). PNG (.png) or JPEG (.jpeg) are the preferred file format.

In order that we may personalize your part of the slideshow, please go over the information and answer via this [Form](#):

- Graduate's full name, as you wish it to appear (middle name is nice, but optional)
- After-graduation plans, if known (include as many as apply to you): Attending College? Name of School, if you know. Intended Major? Missions Trip? To what place, and/or with what church or organization? Gap Year? Work? Travel?
- Graduate's favorite hymn or worship song (indicate if there is a particular group or singer for a preferred recording, or if any version is okay)
- Graduate's favorite scripture verse - a scripture from one of the 66 canonized books of the Bible in the translation you prefer
- Graduate's favorite homeschooling memory or field trip
- Graduate's Hobbies, Talents, Interests, Skills, Special Accomplishments or Awards

Please remember **the deadline for this is January 27th!** We know from experience how difficult this is, do not delay! Get out those picture and a box of tissues and start your walk down memory lane.
