Registration Packet

Spring 2027

1010Academy.com

“The thief comes to kill, to steal, and to destroy, I have come that they may have life, and have it more abundantly.” -- John 10:10

Welcome to the Spring 2027 semester at 10:10 Academy! We are praying for another year of God’s glory, service to students, and walking in unity!

Dear 10:10 Families,
We’re so excited to welcome you - both new and returning families - to another semester at 10:10 Academy! Thank you for taking the time to review this registration packet. Inside you’ll find important information to help you prepare for a smooth and successful semester.

A few quick reminders:

- Be sure to read the **Parent/Student Handbook** for key information on campus policies, safety expectations, and dress code.
- Add our main contacts to your email address book so you don’t miss important communication: **Alicia@1010Academy.com**, **Holly@1010Academy.com**, **Jackie@1010Academy.com**, **Joannah@1010Academy.com**, **Lisa@1010Academy.com**, **Info@1010Academy.com**
- Weekly emails will be sent out every Tuesday once classes begin. Please check your junk folder if you don’t see them and contact **Info@1010Academy.com**.
- Parent 1 in Jumbula will receive all official announcements.
- Stay connected by joining our Facebook pages (**10:10 Academy** and **10:10 Families**) and follow us on **Instagram**.

Please also take a moment to:

- Review the **Volunteer Program & Volunteer Buy-Out Program** in this packet for details on how to fulfill your family service hours.
- If you have 7th-12th grade students that are drop-off students, make sure to enroll them in **Study Hall** for hours they are not registered in a class when they are on campus. And great news - Study Hall is FREE! If you are on campus with your students, they should be physically with you, within 6 feet, and in your line of sight, or registered in Study Hall.

We’re committed to keeping our community safe, respectful, and thriving. Please make sure to review campus expectations with your children (see handbook for full details), including supervision requirements, dress code, and respectful behavior.

We’re here for any questions you may have during the registration process. Thank you for being part of our 10:10 community. We can’t wait to see all that this program semester will bring!

In His Service,

Alicia Dallas

Wednesday Class Descriptions

Preschool/Kindergarten – $165 per class/hour

Pre-K & Kinder Circle Time, *teacher: Alicia Dallas*

Suggested text: None

Supply fee: **$10**

If your 4 or 5-year-old isn't quite ready for our second hour of Kindergarten, this one-hour session is the perfect fit! In this class we will do circle time and more! Through songs, poetry, show-and-tell, art, crafts, nature study and more, students will work on developing skills in calendar awareness, math, phonemic awareness and literacy, music, movement, and social/emotional development. Join us for this fun, engaging, hands-on class.

* Students must be 4 by the time classes begin
** All students must be potty trained or have a parent stay with them who can tend to their needs.
*** New students are welcome to join during spring semester

Pre-K & Kinder Core Skills, *teacher: Alicia Dallas*

Suggested text: None

Supply fee: **$10**

This one-hour class will continue the learning from the above Circle Time Class. **NOTE:** If you are only registering for one class, please register for the Pre-K & Kinder Circle Time as this Core Skills class will continue the lessons and learning that we begin during the first hour. During this second hour of Pre-K & Kindergarten, we will continue our learning from the Circle Time class using movement, crafts, art, and more to practice beginning reading and writing skills; science and math.

* Students must be 4 by the time classes begin
** All students must be potty trained or have a parent stay with them who can tend to their needs.
*** New students are welcome to join during spring semester

1st-3rd – $165 per class/hour

First Fruits Farm Class, *teacher: Patricia Ball*

Suggested text: None

Supply fee: **$15**

In this class we will learn and apply hands-on skills in organic gardening and livestock management while diving into biblical principles of creation, stewardship, patience, and God's provision. Throughout the course, we will explore scripture as it relates to our farming lessons. Livestock lessons will cover daily care, life cycles, and ethical husbandry practices. Students will have the opportunity to grow their own crops, be stewards of the soil, and build community with their fellow student farmers! New students are welcome to join for the spring semester.

(continued on the next page)

©2026 10:10 Academy

Wednesday Class Descriptions

1st-3rd – $165 per class/hour (continued)

Fitness Fun, *teacher: TBD*

Suggested text: None

Supply fee: **$5**

This physical education course for 1st-6th graders will focus on fundamental movement skills such as stretching, running, jumping, throwing, catching, balancing and basic tumbling. We will accomplish this through games and fun drills. Students will develop teamwork, sportsmanship, and healthy habits while improving strength, coordination, and cardiovascular fitness. New students are welcome to join for the spring semester.

Math Makers: Build, Create & Discover!, *teacher: Joannah Manuel*

Suggested text: None

Supply fee: **$10**

Who says math has to be done with just a pencil and paper? In Math Makers, students will bring math to life through exciting hands-on challenges, creative building projects, games, and interactive activities! Each week, our young mathematicians will explore important math concepts such as addition, subtraction, shapes, patterns, measurement, and problem-solving while designing, building, and creating. From constructing geometric masterpieces to solving fun math mysteries and completing teamwork challenges, students will discover how math connects to the world around them. Through playful exploration, students will develop critical thinking skills, build confidence, and learn the value of perseverance and teamwork. Whether the student already loves math or is still discovering their confidence with numbers, this class will encourage them to think creatively and enjoy learning. Get ready to imagine, create, build, and discover the FUN in math! New students are welcome to join for the spring semester.

Piano Superstars, *teacher: Rockstars of Tomorrow*

Suggested text: Students must bring a battery powered keyboard, we highly recommend a 61 key (it's a good size to transport). The supply fee includes a piano book tailored to your student's specific level.

Supply fee: **$15**

Grow your confidence on the keys with Piano Superstars! This is a beginner friendly piano class but we do our best to accommodate all skill levels within the group setting. Beginners work on the basics while more intermediate/advanced students work on more advanced skills. This class helps students build a strong foundation while growing confidence at the keys. Students will develop essential skills like note reading, rhythm, technique, and chord playing, while learning fun, recognizable songs. This class helps students improve musically and prepare for performing with others. Whether your goal is to join a worship team or play your favorite songs at home, we'll help you grow while having fun.

(continued on the next page)

©2026 10:10 Academy

Wednesday Class Descriptions

1st-3rd – $165 per class/hour (continued)

Passport to STEM, *teacher: Jenny Stewart*

Suggested text: None

Supply fee: **$15**

In Passport to STEM, be ready to get a stamp in your 10:10 Academy passport and learn about amazing structures around the world! Discover the center of gravity in Italy, kinetic energy in America, load distribution in Australia, and this is just the start of our grand adventure! Each class will be filled with hands-on fun as we build replicas of some of the most famous man-made structures and learn about the countries where they are found! New students are welcome to join for the spring semester.

Science Detectives: Exploring Chemistry & Physics Through Experiments,

teacher: Nicole Baird

Suggested text: **ISBN - 9781935495987**

Supply fee: **$20**

Have you ever wondered what makes a rocket shoot forward or how a magnet can move something without touching it? Get ready for another semester of hands-on experiments and exciting discoveries, with a little more focus on physics. From launching straw rockets, making our best paper airplane designs, to making tornadoes and electromagnets, young scientists will keep asking questions, making predictions, observing closely, while using the scientific method. New students are welcome to join for the spring semester.

4th-6th – $165 per class/hour

Adventures in Literature, *teacher: Sara Allen*

Suggested text: TBD

Supply fee: **$10**

Ready to go on an adventure? In this class we take off on adventures that you can only have through the pages of a book. We will enjoy exploring each book together as we learn story elements, vocabulary and history or geography of the places we go. In our own version of a book club, we will discuss each week's assigned reading and enjoy hands-on activities that help us more deeply understand each story. If reading is a challenge, students are encouraged to use audio books to engage with these wonderful stories. New students are welcome to join for the spring semester.

(continued on the next page)

©2026 10:10 Academy

Wednesday Class Descriptions

4th-6th – $165 per class/hour (continued)

3rd-6th Grade Breakfast Club, *teacher: Katiria Molina*

Suggested text: None

Supply fee: **$30**

Join our Breakfast Club for a fun, hands-on semester where students will learn how to prepare delicious, simple, and nutritious breakfast foods while building confidence in the kitchen! Throughout the semester, students will create a variety of breakfast favorites, including fluffy pancakes, French toast sticks, breakfast burritos, mini egg muffins, homemade waffles, smoothies, breakfast quesadillas, muffins, and more!

Students will learn essential cooking skills such as measuring ingredients, reading and following recipes, kitchen safety, food preparation, proper food handling, and basic cooking techniques. We'll also explore the importance of a balanced breakfast, food groups, and how protein, carbohydrates, and healthy fats help fuel our bodies.

Along the way, students will practice math through measuring and fractions, strengthen their ability to follow multi-step instructions, and develop teamwork, independence, creativity, problem-solving, and time management skills. Our goal is to help students feel comfortable and confident in preparing simple meals they can recreate at home! No previous baking experience is necessary just bring your enthusiasm and be ready to learn, create, and enjoy some delicious homemade treats! New students are welcome to join for the spring semester.

Chemistry & Physics Experiment Explorer Lab: Exploring Chemistry & Physics Through Experiments, *teacher: Nicole Baird*

Suggested text: **ISBN - 9781935495987**

Supply fee: **$20**

Have you ever wondered what makes a rocket launch or how electricity can create a magnet? Get ready for another semester of hands-on experiments, STEM challenges, and exciting discoveries, with a stronger focus on physics. From launching straw rockets to building circuits, electromagnets, and Rube Goldberg-style machines, students will continue using the scientific method to test ideas and discover how the world works. New students are welcome to join for the spring semester.

First Things First: Exploring Fine Art, *teacher: Dannielle Murphy*

Suggested text: A Bible and a dictionary

Supply fee: **$15**

Come join us as we pursue truth, goodness, and beauty through the lenses of great artists and their craft. Together we will explore musical composers, poetry study, great hymn study, fine art study, and etiquette skills—through hands-on art projects, poem, hymn, scripture memorization, interactive games, vocabulary and quizzes, the study of poetic and musical styles, etiquette practice, and class presentations. Our heart is to nourish the soul and feed the imagination. Let's put first things first—ultimately focusing on the Creator who made us and gave us the ability to create. New students are welcome to join for the spring semester.

Wednesday Class Descriptions

4th-6th – $165 per class/hour (continued)

Fitness Fun, *teacher: TBD*

Suggested text: None

Supply fee: **$5**

This physical education course for 1st-6th graders will focus on fundamental movement skills such as stretching, running, jumping, throwing, catching, balancing and basic tumbling. We will accomplish this through games and fun drills. Students will develop teamwork, sportsmanship, and healthy habits while improving strength, coordination, and cardiovascular fitness. New students are welcome to join for the spring semester.

IEW Fables, Myths, and Fairy Tales, Part B, *teacher: Emily Berry*

Suggested text: **ISBN - 9781623413095**

Supply fee: **$5**

In the second half of this year-long class, students will use skills they learned in the fall about IEW's Structure and Style elements to continue to build upon their writing skills. This semester, students will continue to create Key Word Outlines as they write from pictures, summarize multiple references, create inventive stories and compose their own fables, myths, and fairy tales.

* New students must contact the teacher for approval before registering.

Microbusiness for Young Entrepreneurs, *teacher: Joannah Manuel*

Suggested text: Choose from one of the three texts from **https://simplychcharlottemason.com/store/your-business-math/**

Supply fee: **$10**

Calling all young entrepreneurs! This one-semester class will help students practice real life math and business skills as they open their own "store." 4th-6th graders can choose to create their own Pet, Sports, or Book Store; design a logo, signage and cover all of the startup details, as well as manage inventory, sales and supply ordering while working through addition, subtraction, multiplication and division concepts. This is an exciting and effective way for kids to not only get creative but also put their core academic skills to use in a group setting. We will also be planning and preparing for the 10:10 Craft Fair as part of this class.

Also open to students in 7th-8th grades who need a refresher in math skills, and/or would like to grow in entrepreneurial skills. New students are welcome to join for the spring semester.

Wednesday Class Descriptions

4th-6th – $165 per class/hour (continued)

Piano Superstars, *teacher: Rockstars of Tomorrow*

Suggested materials: Students must bring a battery powered keyboard, we highly recommend a 61 key (it's a good size to transport). The supply fee includes a piano book tailored to your student's specific level.

Supply fee: **$15**

Grow your confidence on the keys with Piano Superstars! This is a beginner friendly piano class but we do our best to accommodate all skill levels within the group setting. Beginners work on the basics while more intermediate/advanced students work on more advanced skills. This class helps students build a strong foundation while growing confidence at the keys. Students will develop essential skills like note reading, rhythm, technique, and chord playing, while learning fun, recognizable songs. This class helps students improve musically and prepare for performing with others. Whether your goal is to join a worship team or play your favorite songs at home, we'll help you grow while having fun.

7th-8th – $200 per class/hour

IEW Following Narnia, Vol. 1 The Lion's Song, *teacher: Emily Berry*

Suggested text: ISBN - 9781623412388, C.S. Lewis books: *The Magician's Nephew, The Lion, the Witch, and the Wardrobe* (any version written by C.S. Lewis is fine)

Supply fee: **$5**

In the second half of this two-semester class, students will read and write about Narnia while they continue to write with the IEW Structure and Style writing method. Students will apply what they learned during the fall semester about note making, outlines, summarizing references, writing from pictures and build upon that to summarize multiple references, create inventive writing, write formal essays, and formal critiques.

* New students must contact the teacher for approval before registering.

Jr. High Literature: Journey through Narnia, *teacher: Donna Wilson*

Suggested text: Any version of the following books by C.S. Lewis: *Voyage of the Dawn Treader, The Silver Chair, The Last Battle*

Supply fee: **$10**

Students will continue to journey through the world of Narnia in chronological order while developing literary analysis, biblical application, and writing skills. Weekly discussions will explore characters, symbolism, themes, and the Christian truths woven throughout Lewis's stories.

(continued on the next page)

©2026 10:10 Academy

Wednesday Class Descriptions

7th-8th – $200 per class/hour (continued)

Medieval History, *teacher: Donny Wilson*

Suggested text: ISBN - 9781892427069

Supply fee: **$10**

Step into this fascinating world of the Middle Ages in this engaging history class. Students will explore the rise and fall of kingdoms, the lives of knights and nobles, the power of the church, and key events that shaped the medieval world. Through interactive discussions, games and projects, history will come to life as we journey from the fall of Rome through the Renaissance. Students will build timelines and connect historical events to a biblical world view.

Physical Science: Exploring Creation with Physical Science Part 2,

teacher: Danitza Rave

Suggested text: ISBN - 9781932012774

Supply fee: **$25**

Continue discovering the science behind God's creation in the second half of Apologia's *Exploring Creation with Physical Science*, 2nd Edition! Building on first-semester learning, students will study weather and its prediction, motion, Newton's laws, forces in creation, waves, sound, light, and introductory astrophysics.

Hands-on experiments, demonstrations, class discussions, and problem-solving activities will connect these concepts to everyday life. Students will make predictions, take measurements, record observations, and draw conclusions while applying math skills through unit conversions and scientific formulas. Throughout the semester, students will strengthen their scientific knowledge, critical-thinking skills, and confidence in explaining how the physical world works. Assigned reading and homework at home will support classroom activities and discussions. New students are welcome to join for the spring semester.

Extended High School Sciences – $300 per class

Biology, *teacher: Holly Croley*

Suggested text: ISBN - 9781932012545

Supply fee: **$25**

From a study of the five-kingdom classification system to cellular biology, to genetics, students will get a very thorough instruction of the systems of life. Class will include textbook reading, microscope usage, robust vocabulary, class discussion, hands-on labs and the all-important dissections. This class will equip students for a full experience and understanding of biology.

* Please note this is an extended course of 1.5 hours and is a recommended yearlong course with re-registration at semester.
* New students must contact the teacher for approval before registering.

(continued on the next page)

©2026 10:10 Academy

Wednesday Class Descriptions

Extended High School Sciences – $300 per class (continued)

Chemistry, *teacher: Sue Strother*

Suggested text: ISBN - 099627846X and ISBN - 9780996278478

Supply fee: **$15**

This is the second semester of a two-semester high school general chemistry class with labs. Spring semester topics include: solutions, gases, acids/bases, oxidation/reduction, thermodynamics, kinetics, and equilibrium. This curriculum does not include organic chemistry, but it prepares students well for further study. This curriculum does include thermodynamics which is often included in physics courses instead of general chemistry. The labs are a combination of textbook labs and supplemental labs that engage the students and enable them to develop effective lab techniques, gather meaningful data, make astute observations, and complete thoughtful analyses. The focus of class time is on the introduction of concepts and completion of labs.

* New students must contact the teacher for approval before registering.

9th-12th Core Classes – $200 per class/hour

American History, *teacher: Sarah Simpson*

Suggested text: ISBN - 9781683442394

Supply fee: **$10**

Step into the fascinating world of American History! This year-long class is a survey of the history of America from native peoples, European settlements, nation-building, and expansion through the modern age. The course will focus on learning through reading, response, class discussions, timeline work, map work, and individual projects. New students are welcome to join for the spring semester.

Economics & Entrepreneurship, *teacher: Ryan Croley*

Suggested text: TBD

Supply fee: **$10**

This course is designed to give high school students a basic understanding of economics while introducing them to the principles of entrepreneurship. Students will learn how economics affects everyday life, businesses, and our national and global economy. The course will also cover the basics of starting and running a small business, giving students an understanding of how economic principles apply to business decisions. This is a one-semester course. New students are welcome to join for the spring semester.

(continued on the next page)

©2026 10:10 Academy

Wednesday Class Descriptions

9th-12th Core Classes – $200 per class/hour (continued)

Foundations of Composition and Literature, *teacher: Lisa Schron*

Suggested texts: All works will be provided by the instructor

Supply fee: **$5**

Foundations of Composition and Literature will continue to emphasize the development of essential high school writing skills, building on the concepts introduced in the first semester. Students will strengthen their understanding of essays and response styles, thesis development, paragraph structure, literary analysis, research, formatting, and academic writing. Reading material will remain intentionally limited to allow more time for writing, revision, and individual feedback, with literature drawn primarily from poetry, short stories, and one shorter literary work. Students will practice analyzing literature, developing well-supported arguments, and communicating their ideas clearly and effectively. Writing assignments will include opportunities for instructor feedback, editing, and revision, with the goal of developing greater confidence, independence, and proficiency in high school-level writing.

* New students may join this class, but it is recommended that they have some experience writing essays. Please email **Lisa@1010Academy.com** with any questions!

Earth Science, *teacher: Holly Croley*

Suggested text: **ISBN 9780996278430**

Supply fee: **$25**

This course is an introduction to how the Earth has been designed as a haven for life, leading students to discover truths about its design and the One who designed it. It begins with a study of the Earth's basic structure, allowing students to explore the physical and chemical properties of minerals and rocks.

Additional topics include plate tectonics, fossils and the fossil record, geology and the Earth's hydrosphere, as well as oceans, climate, and weather, all culminating in a look at our vast solar system. This is a physical science course that includes both in-class and at-home labs.

* New students must contact the teacher for approval before registering.

(continued on the next page)

©2026 10:10 Academy

Wednesday Class Descriptions

9th-12th Core Classes – $200 per class/hour (continued)

Literature & Composition, 11am and 1pm, *teacher: Lisa Schron*

Suggested text: *The Giver* ISBN - 9780544336261 *The Screwtape Letters* ISBN - 9780060652937 *Around the World in Eighty Days* ISBN - 9780486411118; all other materials will be provided by the instructor

Supply fee: **$5**

The work of some authors influences us forever. But why? Is it their unique writing style? Did they pioneer a literary movement? Did they take a risk and write about something controversial for their time? Did they expose a social ill? These are all questions we will seek to answer in this course. Students will also encounter the traditional elements of a high school English class, including grammar, mechanics, vocabulary studies, literary devices, and MLA formatting. We will learn the requirements of differing responses and focus on how to analyze a piece of literature and respond.

Students currently registered in the 11am class have first priority to the 11am seats. If you want to try to register for the 11am class, please register and you will be moved to the wait list. New students to the 11am class will be added from the wait list in the order you register. If you have questions, please reach out to Lisa Schron at Lisa@1010Academy.com.

Math Classes – $200 per class/hour

Our math classes are a huge asset to the homeschool community! Many of us don't feel equipped to go back all those years and relearn these important disciplines. Let us help you! Class times will cover an average of four lessons a week with suggested homework material to adequately fulfill high school math requirements. These courses are designed to teach the student to learn while supporting the parent in their home instruction. **Parents are responsible for grading homework daily to catch mistakes early!**

Algebra 1, *teacher: Holly Croley*

Suggested text: ISBN - 9781565771345, Solutions manual highly encouraged

Supply fee: **$10**

Algebra 1 is a foundational year of learning the basic concepts of algebra to carry the student through high school math. The second semester is a continuation of and building upon the skills learned in the first semester. Class times will cover an average of four lessons a week with suggested homework material to adequately fulfill high school math requirements. This course is designed to teach the student to learn while supporting the parent in the home instruction.

* New students must contact the teacher for approval before registering.

Wednesday Class Descriptions

Math Classes – $200 per class/hour (continued)

Pre-Algebra: Saxon 8/7, *teacher: Lisa Schron*

Suggested text: ISBN - 9781591413202, highly recommend solutions manual (not answer guide)

Supply fee: **$5**

Saxon 8/7 is a great foundation for our growing math students. This text does a wonderful job of reviewing the vital concepts needed to move to higher-level math courses, while introducing bits of algebra along the way. The class will include instruction each week on 4-5 lessons, in-class quizzes and tests, and hands-on activities. Math support will be offered as group tutoring on Mondays (on-site) and optional Friday help sessions online - all included in the class fees. Some students may benefit from repeating this class before moving on to Algebra 1. Parents are responsible for grading homework daily to catch mistakes early!

* New students may join knowing we are starting in Lesson 60.

7th-12th Electives – $200 per class/hour

ASL 1B, *teacher: Kimber Mason*

Suggested text: ISBN - 9781581212105

Supply fee: **$10**

Let's keep growing on our ASL journey! In Part 2, we will continue building on skills learned in the first half of ASL 1. We'll expand vocab, develop receptive & expressive signing, and continue learning ASL grammar & facial expressions. Through lots of fun activities, we'll grow in confidence, improve our comprehension, and develop a deeper appreciation for the beauty of communicating in ASL and Deaf Culture.

Bible Breakdown: Defending a Christian Worldview, *teacher: Britt Schron*

Suggested text: the Bible

Supply fee: **$10**

We will continue to look at specific stories of the Bible that define and set apart Christianity from other world religions(world views). Students will learn key distinctives while diving deeper into core truths of scripture. New students are welcome to join in the spring.

(continued on the next page)

©2026 10:10 Academy

Wednesday Class Descriptions

7th-12th Electives – $200 per class/hour (continued)

Destination the World: U.S. & World Geography, *teacher: Danitza Rave*

Suggested text: TBD

Supply fee: **$25**

Explore the United States and the world through the lens of travel! Students will study continents, oceans, countries, capitals, and U.S. states and regions, along with major landforms, bodies of water, climates, natural resources, landmarks, and cultures. They will develop map skills using compass directions, map keys, scales, latitude, and longitude while examining how geography influences the way people live.

Hands-on projects, map activities, class discussions, and travel-planning challenges will bring these concepts to life. Students will apply their learning by planning routes, comparing destinations, and navigating budgets, time zones, and currencies. By the end of the course, students will be better able to locate key places, interpret maps, and explain how location, climate, and natural resources shape communities and cultures. They will also strengthen their critical-thinking and problem-solving skills through practical travel-planning activities. New students are welcome to join in the Spring.

Flour Hour, *teacher: Katiria Molina*

Suggested text: None

Supply fee: **$30**

Get ready for a fun, hands-on semester of baking! Students will learn the art and science of baking while creating delicious homemade treats such as cookies, muffins, cupcakes, mini cakes, soft pretzels, and more!

Throughout the semester, students will develop essential baking skills, including measuring ingredients accurately, following recipes, understanding baking terminology, mixing techniques, oven safety, and proper food handling. We'll also explore the science behind baking, learning how different ingredients work together, the purpose of leavening agents, and how temperature and measurements affect the final product.

Students will strengthen their math skills through fractions, measurements, and recipe conversions while building confidence, independence, creativity, time management, teamwork, and problem-solving skills in the kitchen. All recipes and instructional materials will be provided by the instructor. New students are always welcome! No previous baking experience is necessary. Just bring your enthusiasm and be ready to learn, create, and enjoy some delicious homemade treats!

Wednesday Class Descriptions

7th-12th Electives – $200 per class/hour (continued)

Graphic Design for A(i) Mobile World, *teacher: Britt Schron*

Suggested text: None

Supply fee: **$20**

As more and more people have access to mobile devices and the various social media and A.I. apps on them, the world gains more inadvertent designers. Graphic design used to be limited to trained people with expensive desktop computers and software. The smart phone has democratized people's access to creating graphic design. Students will learn how to use free apps to create modern design solutions.

* New students must contact the teacher for approval before registering.

Guitar Kickstart, *teacher: Rockstars of Tomorrow*

Suggested materials: Guitar, tuner, guitar strap (cable and battery powered amp if bringing electric guitar)

Supply fee: **$35**

Jumpstart your musical journey with Guitar Kickstart! Designed for beginners but open to all skill levels, this class helps students learn the essentials of guitar playing — from basic chords and strumming patterns to playing along with real songs. In a fun, relaxed environment, students build confidence, rhythm, and technique while discovering their unique sound. Whether your goal is to join a worship team or play your favorite songs at home, Guitar Kickstart is the perfect first step toward becoming a true Rockstar. Supply fee will include booklet and a music stand. Guitar rentals are available for $20 for 3/4 size or $30 for full size. Please contact Rockstars of Tomorrow at 951.344-5554 for info about renting or purchasing a guitar.

Journalism: The News Room, *teacher: Lisa Schron*

Suggested text: **ISBN - 9781974208166**

Supply fee: **$15**

Step into the world of journalism! In this hands-on course, students will explore the fundamentals of journalism, including news reporting, interviewing, research, writing, and editing. Using *Journalism Basics: An Introduction to Print Journalism* as our primary text, students will learn to write news articles, feature stories, opinion pieces, and social media content. Each class will combine a brief discussion of journalistic principles with a collaborative newsroom-style workshop where students will brainstorm, write, edit, and receive feedback on their work. Throughout the semester, students will work together to produce three to four editions of a student-led newsletter highlighting Academy news, events, and community stories. This course will develop students' writing, communication, critical thinking, and teamwork skills, while providing real-world publishing experience.

Wednesday Class Descriptions

7th-12th Electives – $200 per class/hour (continued)

Sketch It! Paint It!, *teacher: Donna Wilson*

Suggested text: None

Supply fee: **$20**

From pencil to paintbrush, this art class will help students build skills, experiment with different approaches and enjoy the creative process of seeing their sketches become paintings. We will explore different artistic styles and learn fun techniques. The main mediums we will be using are pencils and acrylic paint. So grab your sketchbooks, pencils, and paints and we will sketch and paint together. New students are welcome to join in the spring.

Spanish 1B, *teacher: Zaida Flores*

Suggested text: curriculum will be provided

Supply fee: **$10**

Spanish 1B continues Spanish 1A but welcomes new students with or without prior Spanish experience. The semester begins with a review of basic vocabulary, pronunciation, and simple sentences before introducing new grammar and conversational skills. Students will practice describing people and things, asking and answering questions, using numbers and dates, and talking about everyday life. This class includes conversation practice, dictation, worksheets, review games, and a monthly Bible verse in Spanish. Weekly homework takes approximately one hour and includes audio, writing, and verse practice. Assessment includes quizzes, dictation, speaking, participation, and a final exam.

Theater, *teacher: Allie Reyna*

Suggested text: **ISBN - 0871292653**

Supply fee: **$20**

This semester we will be performing *The Lion, The Witch and the Wardrobe* by C.S. Lewis. We practice the play every week in class and will also be doing improv and games toward the end of the semester. This class provides opportunities to build confidence, work with peers and learn about performing for an audience. There are also opportunities to work with costumes, props and makeup. New students are welcome to join for the spring semester.

Through the Lens: Digital Photography Skills, *teacher: Connie Enriquez*

Suggested text: **ISBN - 1465436073**

Supply fee: **$20**

Learn how the pros take digital pictures using the recommended DSLR or using their cell phone. In this class we will learn lighting basics, and more advanced composition and posing techniques. Whether starting or continuing on their photography journey, these basic skills are important in this age of imagery and marketing. This spring semester completes a year of photography, if the fall semester was completed, but is not required to enroll.

Wednesday Class Descriptions

7th-12th Electives – $200 per class/hour (continued)

What's Cooking? Viral Recipes!, *teacher: Danitza Rave*

Suggested text: None

Supply fee: **$35**

Does it taste as good as it looks? Let's find out! In this hands-on cooking class, students will recreate popular viral recipes, from savory dishes and creative sides to delicious desserts. They will practice kitchen safety, food handling, and basic cooking techniques while connecting cooking to math, science, and everyday problem-solving.

Students will apply measurements and conversions as they read and adjust recipes, explore how ingredients and temperature affect food, and consider ingredient costs and serving sizes. Working in small groups, they will follow multistep directions, share responsibilities, and evaluate their creations for flavor, texture, and appearance.

One class will feature a “Nailed It!”- style challenge, where students recreate a fun food design from a reference photo using creativity, teamwork, and time management. Students will leave with greater confidence in the kitchen and practical skills they can use at home. No social media account or TikTok access is needed. All recipes and instructions will be provided in class.

Study Hall

Study Hall is a free service we offer to keep students safe and accounted for. Study Hall is a place for 7th-12th grade students to go when they have a free period between classes. Students should not be on campus before or after their class times unless they have another class at another hour, have a sibling in a class on campus, or if the student is the child of a teacher or staff member. Internet connectivity during Study Hall is not guaranteed. If your child needs the internet during Study Hall we recommend that you provide them with a personal wireless hotspot.

Reminders about Registration and FAQ's:

- Classes will meet for 15-week semesters (14 full classes and 1 minimum day with an afternoon celebration)
- Please make sure you understand our volunteering policy before signing up for classes
- K-6th grade parents are required to remain on-site at all times
- The semester registration fee is $75 per student, and is non-refundable
- Payment of the registration fee holds your place in a class
- Class fees and supply fees, or a portion of them in accordance with our payment plan, are due the 2nd week of classes
- Some classes may have additional costs for competitions, field trips, and if supply fees run out - please see each course syllabus for more information
- After **January 4th, 2027**, if you drop a class, you will receive a credit towards your future balances to be used for members of your immediate family, held in your name for two semesters
- **The drop deadline to receive a family credit is January 27, 2027 by 3pm**

Jumbula Instructions

How to Register for Classes

Step 1: Get Started

- Go to: https://10-10-academy.jumbula.com/registration
- You can also access the registration page from the Jumbula homepage, then click on "**Registration**" navigation tab to view available classes.

Step 2: Register for Classes

- Click "**Add Class**" next to the class you want.
- On the new page, click "**Express Register**" at the bottom.
- Check the box next to the class name, then click "**Continue**."

Step 3: Fill Out Information

Enter the following details:

- **Participant info**
- **Parent/guardian contact info** - Parent 1 will be our primary contact
- **Emergency contact**
- **School, insurance, medical, allergy info**
- **Photo release**
- Click "**Continue**" when complete.

Step 4: Review Fees

You'll see the following charges:

- **Class fee**
- **Supply fee**
- **$75 registration fee**
- **Convenience fee** (if paying by credit card)

Step 5: Add More Classes (Optional)

- Click "**Select classes for new participant**" to add more classes.
- You can choose to register the same student (their info will auto-fill) or a new one.
- For the same student, **confirm their grade** and **photo release again**.

Step 6: Choose Payment Option

You can:

- **Pay in full**
- **Choose the payment plan** (add $10 fee per class)
- **Pay by credit card** (adds a convenience fee)
- **Select cash** or **check** (payment must be received in 5 business days to secure your spot)
- Choose "**Pay Later**" (staff only)

(continued on the next page)

Jumbula Instructions

How to Register for Classes (continued)

Step 7: Complete Registration

- Once finished, you'll receive a receipt by email. If you do not receive a confirmation email, your registration did not go through.
- **Your classes are reserved only after the $75 registration fee is received.**

Important Notes

- "**Parent 1**" in your Jumbula account will receive all communications from 10:10 Academy.
- If paying by **cash** or **check**, payment must be received within **10 business days**, or your registration will be canceled.

Retrieving Registration Data

- Log into your Jumbula account
- Click on "**Enrollment History**"
- A list of your orders will appear by date
- Click on the arrow to expand each order you need to reference

Payment by mail, mail to:

10:10 Academy
19069 Van Buren Blvd., Ste. 114-481
Riverside, CA 92508
(Make checks payable to 10:10 Academy)

To pay with cash in-person:

- Visit the 10:10 Academy office at:
- 8223 California Avenue, Riverside
- **Email Info@1010Academy.com to schedule an appointment.**

Staff/Teachers Only

At checkout, select the "**Staff – pay later**" option.

Financial Agreement

10:10 Academy Financial Policies

To enroll in classes at 10:10 Academy, you must agree to our financial policies. These policies are listed in our online registration system and are provided here for easy reference.

Fees Overview

Registration Fee:

- **$75 per** K–12th grade student, per semester (non-refundable)
- This fee is due at the time of registration—even if you later choose not to attend, you are still financially liable to pay.

Class Fees:

- Charged per class, per hour, per semester (see class schedule for details)
- Subject to change as operational costs fluctuate

Monthly Payments:

- **$10** will be added if you choose to pay in monthly installments.

Late Fees:

- **$20 per month**, per family, for overdue and late payments to cover extra administration costs in collecting fees.

Payment Methods and Policies

- Accepted Payment Methods:
- Cash, check, or credit card (Note: credit card payments include a convenience fee.)

Payment Options:

- Pay in full before classes begin
- Or pay in up to 3 installments (dates will be announced in weekly announcement emails and program calendar)

Delinquent Payments:

- Late payments may result in suspension from classes.
- Accounts over 6 months past due may be referred to the Board of Directors for collections.

Scholarships and Assistance:

- Requests for financial assistance must be submitted to the Leadership Team before the semester starts and approved by the Board of Directors.

Past Balances:

- All outstanding fees from previous semesters must be paid before registering again.

(continued on the next page)

©2026 10:10 Academy

Financial Agreement

10:10 Academy Financial Policies (continued)

Refunds, Credits, and Class Changes

Drop for Refund:

- Class and supply fees will be refunded if dropped by the refund deadline.
- The **$75 registration fee** is always **non-refundable**.
- Deadlines are announced via email, social media, and the Family Calendar.

Drop for Credit:

- If dropped **after the refund deadline**, paid class fees can be converted into a family credit (valid for 2 semesters).
- Credit requests must be submitted in writing (email is acceptable) by 3:00pm on the second Wednesday of the semester.
- After this date, supply fees are **non-refundable**.
- Credits apply to students in the same immediate family only.

Important Notes

- **Families are responsible for receiving and reading emails from 10:10 Academy. Please check your junk/spam folders to avoid missing important information.**
- **All financial agreements are binding, even if you do not attend the full semester.**

This agreement is required for eligibility for enrollment.

10:10 Academy will do due diligence to provide a full educational experience if Federal, State, or local authorities force the closure of our ability to meet in person. If closures happen mid-semester, families will still be responsible for their financial obligations to 10:10 Academy.

Failure to attend a full semester does not absolve registrants from their financial obligations to 10:10 Academy.

STAFF

Our Staff is here to support you in your homeschool experience!

Alicia Dallas, Program Director

My favorite roles are being wife to Mr. Dallas and mom to our four kiddos. In my free time I enjoy reading classic literature, going on nature hikes and playing board games with my family.

Once upon a time I was an elementary school teacher and I loved it! When our first baby was born I chose to stay home with her and that's where my passion for homeschooling began. I have always enjoyed creating meaningful hands-on activities for my children, and I'm grateful for the opportunity to design lessons and activities for the students at 10:10 Academy.

As I've been on this homeschool journey, I've found a passion in helping and supporting other homeschool families. It's a great honor to serve as the Program Director at 10:10 Academy. I love this community and I am so thankful for the opportunity to serve our families and teachers.

Holly Croley, Community and Events Director

My husband Ryan and I were married in 2000, and love mentoring the next generation to both love and serve the Lord. I am blessed to have been a part of the education community for many years, both public and private, and have homeschooled my own children since 2013. My two daughters have since graduated, both from 10:10 Academy and have gone on to pursue their dreams. My son who is also a student at 10:10 keeps us busy with sports.

One of my favorite things is to see students use their giftings and talents to the fullest. So, often you will see me busy about campus encouraging our students to be active in developing into who God has called them to be through community service and on-campus activities.

I love meeting new people, coffee, and I love serving our 10:10 community!

©2026 10:10 Academy

Jackie Layne, Administration Coordinator

I am a believer, a devoted wife to my husband Adam of 23 years, and a proud mom to three amazing children, ages 23, 17, and 15. My life is centered around my family, and I find so much joy in supporting and walking alongside them in every season.

In my free time, I love being outdoors, hiking, soaking in nature, and finding peace in God's creation. Whether I'm cheering on my kids, serving others, or simply enjoying time together as a family, I strive to live a life rooted in faith, love, and purpose.

Joannah Manuel, Teacher Support Coordinator

I have had the absolute privilege of serving 10:10 Academy for the past decade, and it has truly been an answer to prayer for my family. As a wife and mom of three, I have homeschooled two of my children all the way through high school, which has deepened my love for this journey. Over the years, I've been honored to teach, support, and walk alongside families as they grow in both faith and learning. My heart is especially drawn to encouraging and serving our incredible teachers, who pour so much into our students each week. Being part of a community that values Christ-centered education and meaningful connection is something I never take for granted. It fills my heart to continue serving, supporting, and investing in the lives of those who make this community so special.

Lisa Schron, Executive Director

Above all, I am a follower of Christ, and a wife and mother. Britt and I were married in 2000, and were blessed with two wonderful boys, Tate and Clayton. In 2006, the Lord called me out of my dream job and into homeschooling.

Our family homeschooled for 13 years. My oldest son graduated with the class of 2023 from Grand Canyon University (GCU) majoring in Computer Science and Cyber Security, while my youngest is part of the class of 2025 at GCU studying Graphic Design and Advertising. Lopes up!

Homeschooling was one of the most challenging, yet most rewarding, experiences of my life. I have developed a passion for education and love learning myself; I intend never to stop!

I've heard it said that, "The best teachers are students in their own classroom." I love seeing students get inspired, I love seeing them surprise themselves, and I love encouraging them on to great things.

I consider my role at 10:10 Academy, be it teacher or administrator or leader, as a service to the Lord and will strive to seek Him and please Him in everything I do here!

Codes of Conduct

The following are guidelines for maintaining a safe and respectful environment while at 10:10 Academy, so that you and your family can enjoy your experience and get the most out of every week!

Behavior Code

Students:

- Students are expected to show obedience, respect, and attention to all instructors, staff, parents and church staff. If a child's behavior is continually disruptive or disrespectful, a meeting with the Leadership Team will be set up.
- Students are also expected to show kindness and respect to other students regardless of age.
- No foul language should be used on our campus.
- Students are expected to keep their hands to themselves; violent behavior will be addressed immediately between Leadership and parents.
- Students are expected to treat our host Church with respect. This means leaving classrooms better than they found them, playing in designated areas only, and using appropriate volume when near the Church Office.

Parents:

- Under no circumstances should a parent confront a student if they believe a student has committed a "wrong" against a teacher, volunteer, or student attending 10:10 Academy. We ask that you stop, pray about the offense, and if it is something that needs to be followed up on, please see a member of the Leadership Team for direction on how to handle the situation. Parents are expected to model Christian behavior towards students, other parents, staff, and church staff.

Dress Code

If you are dressed inappropriately, or not modestly as decided by the Leadership Team and the dress code guidelines, you will be asked to wear a 10:10 Academy T-shirt. We want to give you the freedom to make your own clothing decisions BUT if lines are continually crossed, you will find yourself in a 10:10 Academy T-shirt. Enjoy the freedom but please do not take advantage of it!

Dress code applies to students and all adults.

(continued on the next page)

©2026 10:10 Academy

Codes of Conduct

Dress Code Guidelines

- No undergarments showing
- Younger students wearing dresses need to wear tights or leggings underneath if they are "active" on the playground or during classes
- Dresses and skirts should reach the end of your middle finger when your hands are rested at your sides (shorter than this with shorts underneath is still not okay!)
- Shorts must have a minimum 5" inseam, and no holes with skin showing above 5"
- Holes in jeans that show skin should follow the fingertip rule
- Tank top straps should be a minimum of one inch wide
- Please no offensive or controversial logos or statements on t-shirt and hats
- For looser fitting tops, please do the "bend over" test to see if you need to add a tank top under your top
- Shirts should cover cleavage and the stomach area at all times, even if arms are raised
- Necklines high enough to cover cleavage
- Strapless tops, including tube tops, are not permitted.
- Shirts and tops must provide appropriate coverage of the front, sides, and back of the torso. Tops with open or exposed backs are not permitted.

Enforcement:

- **First infraction -** Parent/guardian notified via email of the dress code violation
- **Second infraction -** Second email will be sent to the parent/guardian informing them of the repeated violation
- **Third infraction -** A meeting will be scheduled with parent/guardian

PDA Code

If romantic relationships develop between students, 10:10 Academy expects students to handle themselves in a Christ-honoring way. No hand holding or public displays of affection should happen while on campus. Leadership will yield authority of managing these relationships to the parents involved as long as these guidelines are being honored.

If they are not honored, Leadership may step in with correction for the students.

©2026 10:10 Academy

Policies & Procedures

Anti-Bullying Policy

Bullying of any form is not tolerated at 10:10 Academy, whether carried out by a child or an adult. Staff, children, and parents will be made aware of the school's position on bullying. Bullying behavior is unacceptable in any form. Repeated violations of this policy can result in disciplinary action and/or up to termination of enrollment.

Visitor Policy

10:10 Academy hosts one Visitors Day per semester for people that are interested in joining our community. You can check the family calendar for Visitors Day dates. Other than coming on Visitors Day, visitors are not allowed on campus while classes are in session. If you have a non-registered child that accompanied you to campus, they must remain with the parent at all times and you must seek prior approval from a staff member.

Occasionally a grandparent likes to join families with lunch. In that case, please see the Admin Desk where you can sign in for a Visitor Pass and receive instructions on having a visitor on campus. Visitors must stay with the parent at all times while on campus.

Business meetings outside of the 10:10 Academy program need to be conducted off campus.

Lunch Policy

The lunch period is a time for nourishment, thanksgiving, and fellowship for both children and parents.

- If you stay for the lunch period, please pack/bring a lunch for your child. We may have a few hot lunch opportunities throughout the year. You will be notified by email about any hot lunch details.
- The Fellowship Hall is where lunch period will start with a few quick announcements and prayer. This is a very important part of our program. Please plan to gather with us for the first 5 minutes of the lunch period each week.
- Lunch may be eaten in the Fellowship Hall or outdoors as long as the students are not disrupting the church office staff, and stay out of the parking lot, driveway, and street. You MUST supervise your own children, babies-10 years old, during the lunch hour if they are playing outside.
- You must supervise your own children, babies-10 years old during the lunch hour if they are playing outside. “Supervise” means that your children are in your eyesight at all times.
- Please clean up all of your food and trash from the tables, around you, and on the floor.
- For the safety of students, if children birth-10 years old are found unsupervised by their parent, a meeting with the Leadership Team will be scheduled. Not only is children wandering dangerous, it can lead to us losing our lease with the host Church. We have an open campus where people looking for help, church members, and visitors from the community visit often. To keep kids safe, please make sure to follow these policies.

(continued on the next page)

©2026 10:10 Academy

Policies & Procedures

Lunch Policy (continued)

- Students must stay in areas where there is adult supervision at all times, and should never be unattended in classrooms.
- Students may not leave campus at lunch or at any other time without a parent or guardian. If you have drop-off student and want them to be able to leave campus, please see the Program Director for more information about our policy.

Lunch Play

- Please clean up all of your trash, any trash around you, or any trash on the floor!
- Students birth - 10 years old must be supervised by their parent at all times. “Supervised” means that your children are in your eyesight at all times and less than 6 feet away, if you are not in the designated play areas, where campus supervision is provided
- On the playground, where campus supervision is provided, you need to be actively watching your children, but they may be more than 6 ft away from you.
- In general, students 1st-6th grades and 7th-12th grades should play with others in those age brackets. The official “grade” of the students will be determined by the Leadership Team.
- Toys, balls, and other personal property brought from home and played with are brought at the student’s risk. 10:10 Academy is not responsible for damage to personal property.
- 10:10 Academy’s lease and insurance policy do not allow wheeled toys to be used on campus, including wheeled tennis shoes, skateboards, scooters, bikes, roller skates and other similar toys.

Social Media Policy

We understand that every family has different rules regarding social media use. 10:10 Academy’s policy is as follows:

- Teachers are allowed to ACCEPT requests from students
- If teachers accept a friend request from a student, they understand that they are to behave in a manner pleasing to God on social media.
- Teachers are strongly encouraged to notify the student’s parent(s) before accepting a friend request.
- Teachers are NOT allowed to use “private message” features to communicate with students; if teachers need to communicate with students, we ask them to email the students and CC the parent(s) or utilize the message feature on our online teacher communication service (Google Classroom).
- Please be aware that your student may still be connected to former 10:10 Academy staff on social media, and you may want to monitor their activity after they are no longer part of our organization.

(continued on the next page)

©2026 10:10 Academy

Policies & Procedures

Social Media Policy (continued)

For Parents and Students

- Please do not post to social media while on campus. Repeated violations of this by students or parents will result in follow up from the Program Director.
- Pictures and videos can be taken while on campus and posted later
- No pictures should ever be taken in restrooms – this includes mirror selfies
- Parents and students will be respectful of pictures taken on campus to make sure that those in the pictures have approved that their image will be posted online.

ChatGPT/A.I. Policy

Artificial Intelligence applications, such as Chat GPT, are new emergent technology tools. While this new technology can have great research benefits, it is commonly considered plagiarism in academic circles when student's don't produce their own work. Suspected use of these applications will result in notification to the parent. Parents are advised to monitor their student's use of these programs and discuss the severity of plagiarism with their student.

Church Property

- Please respect the Church policies posted in the bathroom. Please make sure to talk to your kids about this so you are sure they understand.
- No student is ever permitted in the Church Office.
- The Avenue Christian Fellowship will not be held responsible for injuries sustained on church property.
- Students must remain in the leased facilities, which include assigned classrooms, the patio, playground, and basketball courts.
- Please affirm that your children respect the Church's property. If you see inappropriate behavior by your own children, please correct it immediately. If you see other children not respecting Church property, please report it to Admin.

Campus Safety

- No running anywhere inside the Fellowship Hall or classrooms
- No rough play, hitting, or kicking
- No climbing up walls, trees or any part of the church building
- Students must stay in areas where there is adult supervision at all times.
- Please drive with extreme caution when entering and exiting the parking lot. Please drive at **5 mph** and be alert!
- Students are not permitted to bring pocket knives or other weapons to school. This includes toy weapons, or toys that resemble weapons of any kind. Violation of this policy may result in notification to law enforcement, depending on the severity of the case.

©2026 10:10 Academy

Policies & Procedures

Sick Policy

Please be respectful of the health of others. If your child has the following symptoms he/she should not attend class:

- **Fever in the past 24 hours (100.4°+)**
- **Vomiting, diarrhea, colored mucus**
- **Eye drainage**
- **Rash (contagious)**
- **Head lice**

Medical Forms

10:10 Academy must be given current medical information regarding each student. Please complete the medical section in the online registration system, Jumbula.

It is the parent's responsibility to communicate severe allergies, food or otherwise, to the Leadership Team and to each of your student's teachers. Please acknowledge this with an initial on the handbook receipt page.

Semester Evaluations (Grades)

Semester Evaluations, or grades, are optional for 7th-12th graders and you must sign up to receive them. Sign ups will close the third week of classes. You will be emailed directly by teachers at the end of the semester. If you do not receive a Semester Evaluation, please email Info@1010Academy.com. For applicable dates, please see your yearly calendar and/or announcements email.

A few reminders:

- Many of us do not homeschool for "grades."
- It is the parents responsibility to contact the teacher on their student's progress during the semester. We recommend checking in with them half way through the semester, week 8, and one more time prior to finals week if there is still concern.
- We do not offer progress reports. Please do not email your teachers asking for them. If you need a progress report for your Charter or PSP, please track the graded work coming home each week.
- We only see your child one day a week, and the "grade" may not be reflective of their learning at home.
- 10:10 Academy "grades" are a service and are not official on any transcript or with any agency. We simply try to help you with a suggestion for the work we evaluate.
- If you excused your student from work during the semester, the "grade" may not account for that. You are free to adjust the grade you assign with your Charter, PSP, or PSA as you see fit.

©2026 10:10 Academy

Policies & Procedures

Study Hall Procedures

Study Hall is a place for 7th-12th grade students to go when they have a free period between classes. Study Hall is a free service we offer to keep students safe and accounted for. Please note the following:

- You must sign up for Study Hall in Jumbula.
- If you choose NOT to sign your student up for Study Hall, they need to be physically with you, within 6 feet, and in your line of sight. This does not allow for friends of your family to watch your students.
- Unless your student has siblings on campus who have classes before or after, or your student is the child of a staff member, your students should not be on campus before their class times or after their class times. Ex: Drop your student off at 9am for Study Hall when their first class starts at 10am or your student's last class is at 1pm and you leave them on campus for 2pm Study Hall.
- If your student does not want to be in Study Hall, an alternative is a volunteer position on campus. Please email Info@1010Academy.com to inquire about our student volunteer program.

What to expect from Study Hall

- A staff member or volunteer to oversee those signed up for Study Hall
- Students are expected to sit quietly in Study Hall with a book to read, homework to do, or studying.
- They are allowed to listen to music with ear buds, quietly, or be on their phones.
- Study Hall is expected to be a quiet-ish space and may vary from hour to hour based on the needs of the students.
- The internet connection on campus may not be reliable. If your child needs internet access while in Study Hall, we recommend providing them with a personal wireless hotspot, as we cannot guarantee internet connection.

Lost and Found

10:10 Academy does not maintain a lost and found; items left will be thrown out or donated to charity. Please label all items clearly and be responsible for your child's things before you leave for the day.

©2026 10:10 Academy

Policies & Procedures

Communication Suggestions/Concerns

We are happy to accept feedback, questions, and concerns regarding 10:10 Academy business. The following are the official steps to submitting a concern or suggestion.

- Submissions must be emailed to the Program Director(s) and must come from the original party that has the concern or suggestion. No concerns made through a third party will be addressed.
- The Program Director will review concerns and questions and address them judiciously in a reasonable manner. If the situation warrants, the Program Director may consult with the Executive Director, the Parent Advisory Board, and/or other Board Members for suggestions on resolution.

Please see our Conflict Resolution Policy for more details.

A Note to Senior Families

10:10 Academy offers a full schedule of events and ways to honor graduating Seniors and their families. These include:

- Help keeping Senior parents on track for important dates and deadlines
- Senior yearbook page
- Graduate luncheon with Staff
- “Seniors Week” on social media
- A full commencement ceremony where parents and staff honor students
- Graduation certificate
- Graduation reception after the ceremony
- Grad Nite at Disneyland’s California Adventure

To be eligible to participate in our Senior events, you must be an active part of the 10:10 Academy community for two or more years by taking one or more classes each semester. If you are joining us for your student’s Senior year, you must enroll in two or more classes each semester of your student’s Senior year.

©2026 10:10 Academy

Policies & Procedures

Conflict Resolution

“Moreover if your brother sins against you, go and tell him his fault between you and him alone. If he hears you, you have gained your brother. But if he will not hear, take with you one or two more, that by the mouth of two or three witnesses every word may be established. And if he refuses to hear them, tell it to the church, let him be to you like a heathen and a tax collector. Assuredly, I say to you, whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven.” Matthew 18:15-20

Because we are all sinners, misunderstandings and personal conflict can occur in any group. At 10:10 Academy we have chosen to base our conflict resolution on the **Matthew 18** passage above.

Most disputes or differences can be resolved by overlooking the offense and forgiving the person who has offended. Often conflict arises because of a simple misunderstanding. Because of this, we ask that you pray about the issue to decide if it is important enough to require confrontation. If, after prayer, God gives you the peace to dismiss the issue, then it is over and forgotten and is NOT to be discussed with others. If, however, after prayer, you feel the offense must be addressed, the offended party must first seek to resolve conflict between the two individuals involved. If either party is unsatisfied or a resolution cannot be met, they must seek the assistance of the Leadership Team to mediate. The Leadership Team will then make the final decision regarding steps for resolution.

Policy Enforcement

Enforcement of any policy violations will be handled at the discretion of the Leadership Team, depending on the severity of the infraction. Most infractions of policy may be handled in the following manner:

For Students:

- **First infraction -** student will be given a gentle, verbal warning
- **Second infraction -** parents will be notified via email
- **Third infraction -** a meeting will be scheduled with parents

For Adults:

- A gentle conversation about the issue and/or an email
- A request for a face-to-face meeting may be made if further discussion or resolution is needed

Not all violations will follow this stepped approach. When necessary, the Program Director may consult with the Executive Director, Board of Directors, or local authorities.

Not all violations will follow this stepped approach. When necessary, the Program Director may consult with the Executive Director, Board of Directors, or local authorities.

©2026 10:10 Academy

Policies & Procedures

Termination of Enrollment

We expect everyone — adults and children alike— to behave in ways that endeavor to enhance our children's studies in a Christian environment and to promote general Christian fellowship, benevolence, and camaraderie while at our program. We expect the adults to be the examples in this area, treating students and other adults with respect, courtesy, and kindness, according to Biblical principles. Non-biblical actions of members at 10:10 Academy or non-compliance with the by-laws or policies can be grounds for termination of enrollment at the recommendation of the Board, effective immediately after the vote is made. If a family's enrollment is terminated, the parent will be notified by the Program Director or another designated board member.

Responsible Adult Designation

If a parent/guardian is unable to come to campus, they may request a Parent Designation of Responsible Adult Form from the Admin Table. This form is intended for occasional circumstances such as an emergency, illness, or unavoidable appointment, and may not be used on a regular or weekly basis. The form must be completed and approved by the Program Director before it may be used.

©2026 10:10 Academy

Parent Responsibilities

All Parents:

- Read and understand 10:10 Academy's Parent/Student Handbook.
- Commit to reading weekly announcements emails and other communications. Most of the communication of important information will be through email and posted on the Jumbula homepage. Please check your email and read each correspondence carefully!
- **Always give the benefit of the doubt.** If you have a question, concern, or feedback to give staff, teachers, or Leadership, or other members of our community, we ask that you first review the Conflict Resolution Policy (included here), pray about the issue, then approach our staff with love and patience, while giving the benefit of the doubt. We are here to serve you and desire healthy, Christ-like interactions.
- Parents should pick up their 7th-12th grade drop-off students from campus on time. On time is considered on the hour.
- Students, of any age, should not ever be in the parking lot unattended. Please do not give your students the keys to your car to retrieve items for you. If students are found unattended in the parking lot, it may cause us to lose our lease.
- Students should be within 6 feet of you and in your line of sight if you are in the parking lot as a family. The exception to this is students who are 16 years of age and older, AND are licensed drivers.
- Licensed student drivers who are 16 years of age and older may be in the parking lot only for the purpose of arriving, leaving, or briefly retrieving something from their vehicle. Hanging out in cars or in the parking lot is not permitted for any 10:10 Academy student.
- If your licensed driver is leaving campus early for the day, they need to notify a member of the staff prior to leaving.
- Please be sensitive to the classroom structure and those who have paid for the class. This includes taking too much of the teacher's time before or after class and asking the teacher if a sibling can participate or join the class for the day. If you have a special request, please see a member of Leadership; we are happy to help!
- Check your family mailbox (found at Admin) and your child's backpack at the end of each day.
- Parents are responsible for purchasing any texts, materials, or other needed items before the start of classes and for paying for their child's classes and any associated fees.
- Please go over the student responsibilities with your student. Please lead by example and follow the student responsibilities that also can apply to you.
- Under no circumstances should a parent confront a student if they believe a student has committed a "wrong" against a teacher, volunteer, or student attending 10:10 Academy. We ask that you stop, pray about the offense, and if it is something that needs to be followed up on, please see a member of the Leadership Team for direction on how to handle to situation.

K-6th grade Parents:

- If you have a child in K-6th grade classes you must remain on campus while they are attending classes. You may send another adult in your place if you have filled out the Parent Designation of Responsible Adult Form and it has been approved by the Program Director. See page 41 "Responsible Adult Designation" for more details.
- If you have a K-3rd grade student, please pick up your child 10 minutes prior to the hour to escort them to their next class. Our classes are 50 minutes long. Our teachers or class helpers cannot leave the class until all children have been picked up. If parents do not pick up their students, they will be escorted to the administration desk in the Fellowship Hall.

©2026 10:10 Academy

Student Responsibilities

- Be on time. Be prepared for class. All students need to come to class with paper, writing utensils, and any necessary items defined by their teacher for success in the class.
- No toys are permitted in class. This includes toys with wheels on them on campus, including but not limited to roller skates, roller blades, skateboards, bikes, shoes with wheels, etc.
- If students bring toys to play with during lunch, they must be regular playground type toys, and ones that they are willing to share with other students freely. Special toys and equipment should not be brought to campus.
- Please do not post to social media while on campus. Repeated violations of this by students will result in them losing the right to have a cellular device on campus.
- If you have a cell phone, it should not be seen or heard during class time. Please put your phones on silent during class – parents and students! Phones out during class may be taken by the teacher and can be retrieved by the parent from the Program Director or Administration Coordinator.
- Use of headphones or earphones during class is not allowed
- If there is inappropriate content/music found on your phone while you are on campus, your phone will be confiscated and your parent will be notified. We will not risk exposure of anything inappropriate getting into the hands of any of our students. Please be responsible with your cell phone use while on campus.
- Check Google Classroom for assignments from teachers, as directed by your parent, two to three times per week.
- Students may not leave campus at lunch or at any other time without a parent or guardian. If you have drop-off student and want them to be able to leave campus, please see the **Program Director** for more information about our policy.

Reminder of enforcement policy:

- **First infraction -** student will be given a gentle, verbal warning
- **Second infraction -** parents will be notified via email
- **Third infraction -** a meeting will be scheduled with parents

©2026 10:10 Academy

Statement of Faith

Section 1 - God

God is the Creator and Ruler of the universe. He has eternally existed in three personalities known as the trinity: the Father, the Son, and the Holy Spirit. These three are co-equal and are one God. We believe God is the definition of goodness; He is just while extending grace to mankind through Jesus Christ.

Genesis 1:1, 26-27, Genesis 3:22, Psalm 90:2, Matthew 28:19, 1 Peter 1:2, 2 Corinthians 13:14

Section 2 - Jesus Christ

Jesus Christ is the Son of God. He is God and Son of God all at the same time; He is co-equal with the Father God. Jesus lived a sinless human life and offered Himself as the perfect sacrifice for the sins of all people by dying on a cross. He arose from the dead on the third day to demonstrate His power over sin and death, and as the Father's acceptance of Christ's sacrifice for the sins of mankind. He ascended to Heaven's glory and will return again someday to earth to reign as King of Kings, and Lord of Lords.

Matthew 1:22-23, Isaiah 9:6, John 1:1-5, 14:10-30, Hebrews 4:14-15, 1 Corinthians 15:3-4, Romans 1:3-4, Acts 1:9-11, 1 Timothy 6:14-15, Titus 2:13

Section 3 - The Holy Spirit

The Holy Spirit is co-equal with the Father and the Son of God. He is present in the world to make men aware of their need for Jesus Christ. He also lives in every Christian from the moment of salvation. He provides the Christian with power for living, understanding of spiritual truth, and guidance in doing what is right. He gives every believer a spiritual gift when they are saved. As Christians we seek to live under His control daily.

2 Corinthians 3:17, John 16:7-13, 14:16-17, Acts 1:8, 1 Corinthians 2:12,3:16, Ephesians 1:13, Galatians 5:25, Ephesians 5:18

Section 4 - The Bible

The Bible is God's Word to us. It was written by human authors, under the supernatural guidance of the Holy Spirit. It is the supreme source of truth for Christian beliefs and living. Because it is inspired by God, it is the truth without any mixture of error. It is fully applicable in today's world.

10:10 Academy recognizes scripture to be the 66-book Bible, encompassing the Old and New Testaments. It is viewed as the inspired, infallible, and sufficient Word of God, serving as the ultimate and final authority for all matters of faith, doctrine, and daily Christian living.
10:10 Academy uses the New King James Version when citing scripture references.

2 Timothy 3:16, 2 Peter 1:20-21, 2 Timothy 1:13, Psalm 119:105, 160, 12:6, Proverbs 30:5

(continued on the next page)

©2026 10:10 Academy

Statement of Faith

Section 5 - Human Beings

People are made in the spiritual image of God, to be like Him in character. People are the supreme object of God's creation. Although every person has tremendous potential for good, all of us are marred by an attitude of disobedience toward God called "sin"; mankind is born into this condition. This attitude separates people from God and causes many problems in life. We naturally have a proclivity toward stubborn self-centeredness "I want what I want, when I want it", pride "I deserve it", and evil "I will hurt you to get what I want". Sin has also corrupted mankind's understanding of God's natural order for gender (male and female), sexuality (within the proper context of marriage) and marriage (between one woman and one man) as defined by the Holy Scriptures.

Genesis 1:27, 2:24, Psalm 8:3-6, Isaiah 53:6a, 59:1-2, Matthew 19:5, Romans 3:23

Section 6 - Salvation

Salvation is God's free gift to us but we must accept it. We can never make up for our sin by self-improvement or good works. Only by trusting in Jesus Christ as God's offer of forgiveness can anyone be saved from sin's penalty. When we turn from our self-ruled life and turn to Jesus in faith we are saved. Eternal life begins the moment one receives Jesus Christ into his life by faith.

Romans 6:23, Ephesians 2:8-9, Titus 3:5, Galatians 3:26, Romans 5:1

Section 7 - About Eternal Security

Because God gives us eternal life through Jesus Christ, the true believer is secure in that salvation for eternity. Salvation is maintained by the grace and the power of God, not by the self-effort of the Christian. It is the grace and keeping power of God that gives us this security.

John 10:29-30, 2 Timothy 1:12, Hebrews 7:25, 10:10, 14, 1 Peter 1:3-5

Section 8 - About Eternity

People were created to exist forever. We will either exist eternally separated from God by sin, or eternally with God through forgiveness and salvation. To be eternally separated from God is Hell. To be eternally in heaven with Him is eternal life. Heaven and Hell are real places of eternal existence.

John 3:16, 1 John 2:25, 5:11-13, Romans 6:23, Revelation 20:15

Volunteer Program & Role Descriptions

Why We Need You

Volunteers are essential to the success of 10:10 Academy! Your time and service help us keep tuition affordable, builds a warm community, and makes each day run smoothly. We are so grateful for you!

If you're unable to volunteer, you may choose the Volunteer Buyout option. These funds help us hire help where needed. Please see the next section for full details.

How to Sign Up

- Wednesday Volunteers: volunteersignup.org/L7K8A

Sign-Up Guidelines:

- If you have 1–2 students, sign up for 1 role per semester.
- If you have 3+ students, sign up for 2 roles per semester.
- Volunteer sign-ups are first come, first serve and will close on **February 3rd, 2027**.
- We apologize in advance if no roles remain that suit your family. We encourage you to sign up early to ensure you get the role that best suits your needs.

Volunteer Requirements:

- Complete a Volunteer Waiver
- Attend a training session (online or in person)
- Sign in weekly for your role

Note: More than one unexcused absence per semester will result in a **$10 fee** per absence

Volunteer Role Descriptions

Classroom Helper

Help create a calm, safe, and engaging classroom environment by supporting the teacher. Responsibilities include:

- Contact the teacher before the semester to review expectations
- Assist with classroom management and activities
- Retrieve supplies or make copies as requested
- Help grade or collect assignments, if needed
- Learn class routines to sub if needed (once per semester)
- Support classroom transitions and clean-up
- Escort K–6th grade students to the student restrooms (see restroom protocol in Handbook)
- Assist with K–3th grade pickup or coverage between classes
- Sub for teacher briefly if they need to step out
- Communicate with teachers respectfully (not during instruction)

(continued on the next page)

©2026 10:10 Academy

Volunteer Program & Role Descriptions

Volunteer Role Descriptions (continued)

Floating Helper

- Check in weekly with Admin
- You may be asked to:
  - Assist in a class
  - Help with clean-up
  - Support other campus needs
- Sometimes you may not be needed—or called last-minute

Facilities/Admin Roles

Admin Helper (AM/PM)

- Assist with filing, distributing paperwork or miscellaneous admin duties
- Morning or afternoon flexibility

Lunch Clean-Up 1 & 2

- At 1:00pm, check your assigned lunch area for:
  - Trash
  - Left belongings

Supply Room Helper

- Check in with the Administration Coordinator
- Help with organizing, cleaning, or restocking, taking inventory

Playground & Lunch Supervision

Playground (Main Area or Field)

- Monitor students for safety
- Remind students of rules and safe play
- Report any issues to leadership
- Wear a vest for easy student recognition and a walkie talkie (pick up at Admin)
- Be ready to move between areas if needed
- Review lunch time rules in the Parent/Student Handbook
- Attentively and actively watch children and, if possible, refrain from cell phone screen time during your shift

(continued on the next page)

©2026 10:10 Academy

Volunteer Program & Role Descriptions

Volunteer Role Descriptions (continued)

Lunch Clean-Up

- Pick up trash and lost items
- Empty trash cans
- Wipe tables and sweep under tables as needed

End of Day Clean-Up

- Break down admin area and help with end of day clean up
- Duties may include:
  - Wiping high-touch surfaces
  - Taking out trash
  - Sweeping/mopping/vacuuming
  - Follow the Admin's cleaning checklist

Lunch Pick-Up

- Lunch pick up volunteers will be helping pick up lunch for events as needed.

Special Events & Leadership Support

First Friday Helpers

- Assist at student fellowship nights (4x per semester)
- Time: 6:15pm-8:45pm
- Help supervise, encourage students, and clean up

Student Council Assistant

- Attend meetings (before school, lunch, or after school)
- Support Student Council-led events like Pizza Day, dances, and holiday celebrations
- Interview required with Campus and Events Manager

Events Helper

- Assist with major school events (Christmas party, Graduation, dance, etc.)
- Interview required with Campus and Events Manager

©2026 10:10 Academy

Volunteer Buyout Option

At 10:10 Academy, we believe in building a strong, connected community. Our volunteer program plays a big part in creating the warm, supportive environment our families love. To keep things running smoothly, each family is asked to participate in one of two ways:

Volunteer Requirements

Families with 1–2 enrolled children:
Sign up for **1 volunteer role per semester**

Families with 3 or more enrolled children:
Sign up for **2 volunteer roles per semester**

We have a variety of opportunities both in and out of the classroom! See our volunteer role descriptions for options.

Buyout Option

We understand that some families may not be able to commit time to volunteering. If that's the case, you can choose the buyout option instead.

Buyout Fees:

- 1–2 children enrolled: **$100**
- 3 or more children enrolled: **$150**

How to Pay for the Buyout Option

You can add the buyout option directly to your cart during registration on **Jumbula**.
If you do not sign up for a volunteer role.

- Log in to your Jumbula account
- Navigate to the "**Volunteer Buyout**" tab
- Select the "**Buyout**" Option
- Click "**Express Checkout**" and complete your payment

If you decide not to volunteer and do not add the buyout charge, it will be **manually added** to your account by Week 3.

This program ensures that every family supports the success of 10:10 Academy—either by giving time or helping fund the support we need to operate smoothly.
Questions? Info@1010Academy.com.

Parent Volunteer Waiver and Release

I, (the undersigned), intend to participate as a volunteer in the 10:10 Academy. I understand that I am not an employee of 10:10 Academy and will not receive any compensation or benefits for my services and that the 10:10 Academy **does not provide worker's compensation insurance for volunteer participants**. I understand that in my volunteer activity there is a risk of injury, damage and loss to me and I agree to **assume all risks and responsibilities** surrounding my participation. By signing this form, I, on behalf of myself, my heirs, assigns, legal and personal representative(s), agree, to the maximum extent permitted by law, to r**elease, waive, discharge and covenant not to sue** 10:10 Academy, officers, representatives, agents and employees (hereinafter collectively "10:10 Academy") from liability from any and all claims including the negligence of 10:10 Academy, resulting in personal injury, accidents, or illnesses (including death) and property loss arising from my volunteer participation in this program. Further, I, on behalf of myself, my heirs, assigns, legal and personal representative(s), agree to **indemnify and hold harmless** 10:10 Academy from any and all claims, demands, actions, or causes of action (including attorney fees and court costs) on account of damage to personal property, or personal injury, or death which may result from my volunteer participation in this program.

I have read and understand the foregoing provisions and agree to abide by the terms thereof.
